

**WASHINGTON COUNTY PUBLIC SCHOOLS
STUDENT FUNDRAISING
STATEMENT OF UNDERSTANDING**

School Board Policy prohibits elementary and middle school students from participating in door-to-door fundraising activities. However, the policy does allow students to carry catalogs and products home when parents are involved in a fundraising activity.

All student activities and instructional programs sponsored by the Washington County School Board are funded with public funds. Programs and activities not funded by the Washington County School Board are optional and shall have no effect on a student's grades.

Parents are to sign the following statement relative to student fundraising.

PLEASE CHECK THE APPROPRIATE STATEMENT:

_____ I would like to participate in fundraising activities and give permission for my child(ren) to carry catalogs and products home from school. I assure you that my child(ren) will not participate in door-to-door fundraising.

_____ I do not want to participate in any fundraising activities and do not want my child(ren) bringing catalogs and products home from school.
